

## Island pub offers games this weekend

Daily News June 13, 2009

It's been 25 years since Spinnakers Gastro Brewpub opened its doors on Lime Bay in Victoria's Inner Harbour and it's time to celebrate with Beer Games this weekend.

Worth a drive down Island, the Beer Games will take place on Sunday at Spinnakers pitting beer makers from the Island and mainland. Each team, comprised of B.C. craft brewers, consists of five members.

Some of the grueling events include the keg toss, beer pong, beer trivia, darts, and lemon in the "Hef."

Since opening as Victoria's first neighbourhood pub, Spinnakers has grown and evolved and now offers artisan crafted cuisine, bottled sparkling mineral water drawn from an aquifer 70 metres below the brewhouse, craft beers, an on-site bakery, chocolatier, craft malt vinegar brewery, retail liquor sales, cheeses and specialty products. Spinnakers has also opened a guesthouse.
