Spinnakers Gastro Brewpub has completed much-anticipated renovations.

The changes were finished in time for the start of the city's Dine Around & Stay in Town '07. The remodelling features a 50 per cent larger kitchen, a redesigned bar and a new entrance for the restaurant, which is at 308 Catherine St.

Spinnakers has also added a 14.5-foot display case to feature local wines.

Dine Around & Stay in Town '07 runs until Sunday, March 4.

Nearly 60 local restaurants are participating in the event, which is sponsored by Tourism Victoria and the Victoria branch of the B.C. Restaurant and Food Services Association.
